## EXPERIENCE

### Wipro Limited (Mumbai)

**Apr2022 -Present**

Project Engineer

As a Project Engineer at Wipro, I played a crucial role in managing and executing projects to deliver innovative solutions for our clients. Here is a comprehensive description of my responsibilities and achievements in this role:

- Collaborated with a team of developers to design, develop, and maintain dynamic web applications using ASP.NET Framework, C#, and HTML/CSS.
- Developed responsive user interfaces using ASP.NET Web Forms and controls, ensuring cross-browser compatibility and a consistent user experience.
- Utilized SQL Server to design and maintain databases, including creating tables, stored procedures, and optimizing database queries for efficient data retrieval..
- *Create and maintain React components for user interface development.*
- *Manage component state and props effectively.*
- *Integrate RESTful APIs endpoints for data retrieval.*

## EDUCATION
